Commissioner Chris Savage moved and Commissioner Jordan Iwnayszyn seconded the motion to approve a Resolution Authorizing the Issuance of General Obligation Refunding Bonds in an Aggregate Principal Amount of not to exceed $14,470,000 and to go with Proposal B as presented at Fiscal Review.

(SEE ATTACHED)
A RESOLUTION AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION REFUNDING BONDS IN AN AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED FOURTEEN MILLION FOUR HUNDRED SEVENTY THOUSAND DOLLARS ($14,470,000) OF PUTNAM COUNTY, TENNESSEE; MAKING PROVISION FOR THE ISSUANCE, SALE AND PAYMENT OF SAID BONDS; ESTABLISHING THE TERMS THEREOF AND THE DISPOSITION OF PROCEEDS THEREFROM; AND PROVIDING FOR THE LEVY OF TAXES FOR THE PAYMENT OF PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS.

WHEREAS, pursuant to authority granted by Sections 9-21-101 et seq., Tennessee Code Annotated, as amended, Putnam County, Tennessee (the “County”) has issued its General Obligation Public Improvement Bonds, Series 2007, dated June 7, 2007, maturing April 1, 2019 through April 1, 2028, inclusive (the “Outstanding Bonds”), and

WHEREAS, pursuant to the provisions of Sections 9-21-101 et seq., Tennessee Code Annotated, as amended, counties in Tennessee are authorized through their respective governing bodies to issue and sell bonds to refund, redeem or make principal and interest payments on bonds or other obligations previously issued by said counties; and

WHEREAS, the plan of refunding for the Outstanding Bonds has been submitted to the Director of State and Local Finance (the “State Director”) as required by Section 9-21-903, Tennessee Code Annotated, as amended, and said report on the plan of refunding has been issued and is attached hereto as Exhibit A; and

WHEREAS, the Board of Commissioners of the County has determined that it is necessary and advisable to refund all or a portion of the Outstanding Bonds by the issuance of general obligation refunding bonds for the purpose of obtaining debt service savings; and

WHEREAS, it is the intention of the Board of Commissioners of the County to adopt this Resolution for the purpose of authorizing not to exceed $14,470,000 in aggregate principal amount of its general obligation refunding bonds, providing for the issuance, sale and payment of said bonds, establishing the terms thereof and the disposition of proceeds therefrom and providing for the levy of a tax within the County for the payment of principal thereof, premium, if any, and interest thereon.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF PUTNAM COUNTY, TENNESSEE, AS FOLLOWS:

SECTION 1. Authority. The bonds authorized by this resolution are issued pursuant to Sections 9-21-101 et seq., Tennessee Code Annotated, as amended, and other applicable provisions of law.

SECTION 2. Definitions. The following terms shall have the following meanings in this resolution unless the text expressly or by necessary implication requires otherwise:

(a) “Bonds” shall mean not to exceed $14,470,000 in aggregate principal amount of General Obligation Refunding Bonds of the County, to be dated their date of issuance and having such series designation or such other designation or dated date as the County Executive shall determine pursuant to Section 8 hereof;

(c) “Book-Entry Form” or “Book-Entry System” means a form or system, as applicable, under which physical bond certificates in fully registered form are issued to a Depository, or to its
nominee as Registered Owner, with the certificate of bonds being held by and "immobilized" in the
custody of such Depository, and under which records maintained by persons, other than the County or the
Registration Agent, constitute the written record that identifies, and records the transfer of, the beneficial
"book-entry" interests in those bonds;

(d) "Code" means the Internal Revenue Code of 1986, as amended, and all regulations
promulgated thereunder;

(e) "County" means Putnam County, Tennessee;

(f) "Depository" means any securities depository that is a clearing agency under federal laws
operating and maintaining, with its participants or otherwise, a Book-Entry System, including, but not
limited to, DTC;

under the laws of the State of New York, and its successors and assigns;

clearing corporations that have access to the DTC System;

SECTION 3. Findings of the Governing Body; Compliance with Debt Management Policy. It is
hereby found and determined by the Governing Body as follows:

The Board of Commissioners hereby finds that the issuance and sale of the Bonds, as proposed
herein, is consistent with the County's Debt Management Policy. The issuance of the Bonds authorized
by this resolution is advisable because it will result in the reduction in debt service payable by the County
over the term of the Outstanding Bonds. The County's Debt Management Policy contemplates that the
County may issue refunding bonds for the purpose of achieving debt service savings. The Bonds will be
structured so as not to materially extend beyond the original term of the Refunded Bonds. The estimated
debt service schedule based upon an approximate principal amount of $12,290,000 and estimated costs of
issuance of the Bonds are attached hereto as Exhibit B. In no event shall the principal amount of the Bonds exceed $14,470,000.

SECTION 4. Authorization and Terms of the Bonds. (a) For the purpose of providing funds to refund the Refunded Bonds and to pay all or a portion of the costs of issuance and sale of the Bonds, there is hereby authorized to be issued general obligation refunding bonds of the County in the aggregate principal amount of not to exceed $14,470,000. The Bonds shall be issued in fully registered, book-entry form (except as otherwise provided herein), without coupons, shall be known as “General Obligation Refunding Bonds” and shall be dated their date of issuance, having such series designation or such other designation and such other dated date as shall be determined by the County Executive pursuant to Section 8 hereof. Subject to adjustments permitted pursuant to Section 8 hereof, the Bonds shall bear interest per annum at a rate or rates not exceeding the maximum rate permitted by Tennessee law at the time of the issuance of the Bonds or such emission thereof, payable semi-annually on April 1 and October 1 in each year, commencing October 1, 2018. Subject to adjustments permitted in Section 8 hereof, the Bonds shall be issued initially in $5,000 denominations or integral multiples thereof, as shall be requested by the purchaser thereof, and shall mature annually on April 1 of each year, either serially or through mandatory redemption, in the years 2019 through 2028, inclusive, in the approximate amounts described on Exhibit B, subject to adjustment pursuant to Section 8 hereof.

(b) Subject to adjustments permitted in Section 8 hereof, Bonds maturing on or before April 1, 2024 shall mature without option of prior redemption and Bonds maturing April 1, 2025 and thereafter, shall be subject to redemption prior to maturity at the option of the County on April 1, 2024 and thereafter, as a whole or in part at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Governing Body. If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to Section 8 hereof, the County Executive of the County is authorized to sell the Bonds, or any maturities thereof, as term bonds (“Term Bonds”) with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the County Executive of the County. In the event any or all the Bonds are sold as Term Bonds, the County shall redeem Term Bonds on redemption dates corresponding to the maturity dates set forth herein, in aggregate principal amounts equal to the maturity amounts established pursuant to Section 8 hereof for each redemption date, as such maturity amounts may be adjusted pursuant to Section 8 hereof, at a price of par plus accrued interest thereon to the date of redemption. The Term Bonds to be redeemed within a single maturity shall be selected in the manner described in subsection (b) above.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be
redeemed which prior to said date have been purchased or redeemed (otherwise than through the
operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent
and not theretofore applied as a credit against any redemption obligation under this mandatory sinking
fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the
Registration Agent at 100% of the principal amount thereof on the obligation of the County on such
payment date and any excess shall be credited on future redemption obligations in chronological order,
and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision
shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding
each payment date furnish the Registration Agent with its certificate indicating whether or not and to what
extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such
payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on
or before the next succeeding payment date.

(d) Notice of call for redemption, whether optional or mandatory, shall be given by the
Registration Agent on behalf of the County not less than twenty (20) nor more than sixty (60) days prior
to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to
be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records
of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect
in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the
Bonds for which proper notice was given. An optional redemption notice may state that it is conditioned
upon the deposit of moneys in an amount equal to the amount necessary to affect the redemption with the
Registration Agent no later than the redemption date (“Conditional Redemption”). As long as DTC, or a
successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the
Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and
when above provided, and neither the County nor the Registration Agent shall be responsible for mailing
notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor
Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of
such redemption. The Registration Agent shall mail said notices as and when directed by the County
pursuant to written instructions from an authorized representative of the County (other than for a
mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given
at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be
satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for
redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the
payment thereof and if notice has been duly provided as set forth herein. In the case of a Conditional
Redemption, the failure of the County to make funds available in part or in whole on or before the
redemption date shall not constitute an event of default, and the Registration Agent shall give immediate
notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds
called for redemption and not so paid remain outstanding.

(e) The Registration Agent is hereby appointed, authorized and directed to maintain Bond
registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein,
either at original issuance or upon transfer, to effect transfers of the Bonds, to give all notices of
redemption as required herein, to make all payments of principal and interest with respect to the Bonds as
provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier
redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of
destruction with respect to Bonds canceled and destroyed, and to furnish the County at least annually an
audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the
Bonds. The County Executive is hereby authorized to execute and the County Clerk is hereby authorized
to attest such written agreement between the County and the Registration Agent as they shall deem
necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The
payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

(f) The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at the designated office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds by check or draft on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least $1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(g) Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

(h) The Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner.
Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or the Bond to the assignee(s) in $5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.

(i) The Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the manual or facsimile signature of the County Executive and with the official seal, or a facsimile thereof, of the County impressed or imprinted thereon and attested by the manual or facsimile signature of the County Clerk.

(j) Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant’s interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the “Beneficial Owners.” The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS Cede & Co., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE REGISTRATION AGENT SHALL TREAT Cede & Co., AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Bonds from the County and the Registration Agent to DTC (the “Letter of Representation”). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment.
by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, the County shall discontinue the Book-Entry System with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. If the purchaser of the Bonds, or any emission thereof, does not intend to reoffer the Bonds to the public, then the County Executive and the purchaser may agree that the Bonds be issued in the form of fully-registered certificated Bonds and not utilize the Book-Entry System.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

(k) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this section.

(l) The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

(m) In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be about to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnity satisfactory to the County and the
Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

SECTION 5. Source of Payment. The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged.

SECTION 6. Form of Bonds. The Bonds shall be in substantially the following form, the omissions to be appropriately completed when the Bonds are prepared and delivered:

FOR VALUE RECEIVED, Putnam County, Tennessee (the “County”) hereby promises to pay to the registered owner hereof, hereinafter named, or registered assigns, in the manner hereinafter provided, the principal amount hereinafter set forth on the maturity date hereinafter set forth [(or upon earlier redemption as set forth herein)], and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate of interest hereinafter set forth from the date hereof until said maturity date [or redemption date], said interest being payable on [October 1, 2018], and semi-annually thereafter on the first day of [April and October] in each year until this Bond matures [or is redeemed]. Both principal hereof and interest hereon are payable in lawful money of the United States of America at the designated corporate trust office of U.S. Bank National Association, __________, ________, as registration and paying agent (the “Registration Agent”). The Registration Agent shall make all interest payments with respect to this Bond on each interest payment date to the registered owner hereof shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the “Regular Record Date”) by check or draft mailed to such owner at such owner's address shown on said Bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the County to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the “Special Record Date”) for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of [and premium, if any,] on this Bond shall be made when due upon presentation and surrender of this Bond to the Registration Agent.
Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody, or a custodian of DTC. The Registrar is a custodian and agent for DTC and the Bonds will be immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds in $5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the County and the Registration Agent shall treat Cede & Co., as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal and maturity amounts of[, premium, if any,] and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal[, and] interest, [and redemption premium, if any,] with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the County nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the County may discontinue the book-entry system with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. Neither the County nor the Registration Agent shall have any responsibility or obligations to any DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners, (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

[Bonds of the issue of which this Bond is one shall mature without option of prior redemption.]

[Bonds of the issue of which this Bond is one maturing [April 1, 20____] through [April 1, ______], inclusive, shall mature without option of prior redemption and Bonds maturing [April 1, 20____] and thereafter, shall be subject to redemption prior to maturity at the option of the County on [April 1, 20____] and thereafter, as a whole or in part, at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Board of Commissioners of the County. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or
(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.]

[Subject to the credit hereinafter provided, the County shall redeem Bonds maturing on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

*Final Maturity*

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

[Notice of call for redemption[, whether optional or mandatory,] shall be given by the Registration Agent not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any such defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. An optional redemption notice may state that it is
conditioned upon the deposit of moneys in an amount equal to the amount necessary to affect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

This Bond is transferable by the registered owner hereof in person or by such owner’s attorney duly authorized in writing at the designated corporate trust office of the Registration Agent set forth above, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond[, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the County to call such Bond for redemption].

This Bond is one of a total authorized issue aggregating $__________ and issued by the County for the purpose of providing funds to (a) refund the County’s outstanding General Obligation Public Improvement Bonds, Series 2007, dated June 7, 2007, maturing [April 1, 2019 through April 1,2028, inclusive]; and (b) pay the costs of issuance and sale of the Bonds, under and in full compliance with the constitution and statutes of the State of Tennessee, including Sections 9-21-101 et seq., Tennessee Code Annotated, and pursuant to a resolution (the “Resolution”) duly adopted by the Board of Commissioners of the County on November 20, 2017.

This Bond is payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of [premium, if any,] and interest on this Bond, the full faith and credit of the County are irrevocably pledged. For a more complete statement of the general covenants and provisions pursuant to which this Bond is issued, reference is hereby made to the Resolution.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the
inclusion of the book value of the Bond in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

IN WITNESS WHEREOF, the County has caused this Bond to be signed by its County Executive with his [manual or] [facsimile] signature and attested by its County Clerk with his [manual or] [facsimile] signature under an [impression or] facsimile of the corporate seal of the County, all as of the date hereinabove set forth.

Section 7. Levy of Tax. The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within the County, in addition to all other taxes authorized by law, sufficient to pay principal of, premium, if any, and interest on the Bonds when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay principal, premium, if any, and interest coming due on the Bonds in said year. Principal, premium, if any, and interest on the Bonds falling due at any time when there are insufficient funds from this tax levy on hand shall be paid from the current funds of the County and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided shall be reduced to the extent of any other funds, taxes and revenues from the County appropriated or pledged to the debt service on the Bonds.

Section 8. Sale of Bonds. (a) The Bonds shall be offered for public sale, in one or more series, at a price of not less than ninety-nine percent (99%) of par, plus accrued interest, as a whole or in part from time to time as shall be determined by the County Executive, in consultation with the County's Municipal Advisor.

(b) The Bonds, or any series thereof, shall be sold by delivery of bids via physical delivery, mail, fax, or telephone or by electronic bidding means of an Internet bidding service as shall be determined by the County Executive, in consultation with the Municipal Advisor.

(c) If the Bonds are sold in more than one series, the County Executive is authorized to cause to be sold in each series an aggregate principal amount of Bonds less than that shown in Section 4 hereof for each series, so long as the total aggregate principal amount of all series issued does not exceed the total aggregate of Bonds authorized to be issued herein.
(d) The County Executive is further authorized with respect to each series of Bonds to:

1. change the dated date of the Bonds or any series thereof, to a date other than the date of issuance of the Bonds;

2. change the designation of the Bonds, or any series thereof, to a designation other than "General Obligation Refunding Bonds" and to specify the series designation of the Bonds, or any series thereof;

3. in order to facilitate the sale of the Bonds in a manner that is in the best interest of the County and results in the greatest cost savings for the County, to cause to be sold less than the principal amount authorized herein and to refund all or any portion of maturities of the Outstanding Bonds;

4. change the first interest payment date on the Bonds or any series thereof to a date other than October 1, 2018, provided that such date is not later than twelve months from the dated date of such series of Bonds;

5. adjust the principal and interest payment dates and the maturity amounts of the Bonds, or any series thereof, provided that (A) the total principal amount of all series of the Bonds does not exceed the total amount of Bonds authorized herein necessary to refund the Outstanding Bonds; and (B) the final maturity date of each series does not occur more than one year after the final maturity of such Refunded Bonds;

6. provide that the Bonds may be subject to optional redemption, provided that the premium amount to be paid on Bonds or any series thereof does not exceed two percent (2%) of the principal amount thereof;

7. sell the Bonds, or any series thereof, or any maturities thereof as Term Bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as otherwise determined by the County Executive, as he shall deem most advantageous to the County; and

8. to cause all or a portion of the Bonds to be insured by a bond insurance policy issued by a nationally recognized bond insurance company if such insurance is requested and paid for by the winning bidder of the Bonds, or any series thereof.

(e) The County Executive is authorized to sell the Bonds, or any series thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Executive is further authorized to sell the Bonds, or any series thereof, as a single issue of bonds with any other bonds with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more series as she shall deem to be advantageous to the County and in doing so, the County Executive is authorized to change the designation of the Bonds to a designation other than "General Obligation Refunding Bonds"; provided, however, that the total aggregate principal amount of combined bonds to be sold does not exceed the total aggregate principal amount of Bonds authorized by this resolution or bonds authorized by any other resolution or resolutions adopted by the Governing Body.

(f) The County Executive is authorized to award the Bonds, or any series thereof, in each case to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Bonds does not exceed the maximum rate permitted by applicable Tennessee law at the time
of the issuance of the Bonds or any series thereof. The award of the Bonds by the County Executive to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required. The form of the Bond set forth in Section 6 hereof, shall be conformed to reflect any changes made pursuant to this Section 8 hereof.

(g) The County Executive and County Clerk are authorized to cause the Bonds, in book-entry form (except as otherwise permitted herein), to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish, and deliver all certificates and documents, including an official statement and closing certificates, as they shall deem necessary in connection with the sale and delivery of the Bonds. The County Executive is hereby authorized to execute an engagement letter with Bass, Berry & Sims PLC to serve as bond counsel in connection with the Bonds in substantially the form attached hereto as Exhibit D.

(h) The County Executive and the County Clerk, or either of them, are authorized to enter into an agreement with the Registration Agent for providing paying agent services.

**SECTION 9. Disposition of Bond Proceeds.** The proceeds of the sale of the Bonds shall be disbursed as follows:

(a) accrued interest, if any, shall be deposited to the appropriate fund of the County to be used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds;

(b) an amount which, together with investment earnings thereon and legally available funds of the County, if any, will be sufficient to pay principal of and interest on the Refunded Bonds, shall be (i) transferred to the paying agent bank of the Refunded Bonds to be used to redeem the Refunded Bonds on the first optional redemption date following delivery of the Bonds or any emission thereof; or (ii) transferred to the Escrow Agent under the Refunding Escrow Agreement to be deposited to the Escrow Fund established thereunder to be held and applied as provided therein; and

(c) the remainder of the proceeds of the sale of the Bonds shall be used to pay costs of issuance of the Bonds and, if not needed for such purposes, shall be used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds.

**SECTION 10. Official Statement.** The County Executive and the County Clerk, or either of them, working with the Municipal Advisor, are hereby authorized and directed to provide for the preparation and distribution, which may include electronic distribution, of a Preliminary Official Statement describing the Bonds. After bids have been received and the Bonds have been awarded, the County Executive and the County Clerk, or either of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The County Executive and the County Clerk, or either of them, shall arrange for the delivery to the successful bidder on the Bonds of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been awarded for delivery, by the successful bidder on the Bonds, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group initially sell the Bonds.

The County Executive and the County Clerk, or either of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be
final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

Notwithstanding the foregoing, no Official Statement is required to be prepared if the Bonds, or any series thereof, are purchased by a purchaser that certifies that such purchaser intends to hold the Bonds, or any series thereof, for its own account and has no present intention to reoffer the Bonds, or any series thereof.

SECTION 11. Refunding Escrow Agreement. For the purpose of providing for the payment of the principal of and interest on the Refunded Bonds, the County Executive is hereby authorized and directed to execute and the County Clerk to attest on behalf of the County, the Refunding Escrow Agreement with the Escrow Agent and to deposit with the Escrow Agent the amounts to be used by the Escrow Agent to purchase Government Securities as provided therein; provided, however, that the yield on such investments shall be determined in such manner that none of the Bonds will be an “arbitrage bond” within the meaning of Section 148(a) of the Code. The form of the Refunding Escrow Agreement presented to this meeting and attached hereto as Exhibit C is hereby in all respects approved, and the County Executive and the County Clerk are hereby authorized and directed to execute and deliver same on behalf of the County in substantially the form thereof presented to this meeting, or with such changes as may be approved by the County Executive and the County Clerk, their execution thereof to constitute conclusive evidence of their approval of all such changes, including modifications to the Refunding Escrow Agreement. The Escrow Agent is hereby authorized and directed to hold and administer all funds deposited in trust for the payment when due of principal of and interest on the Refunded Bonds and to exercise such duties as set forth in the Refunding Escrow Agreement.

SECTION 12. Notices of Redemption and Notices of Refunding. The County Executive and the County Clerk, or either of them, are hereby authorized and directed to take all steps necessary to redeem the Refunded Bonds at their earliest possible redemption date, including the giving of and publication of any redemption notice as required by the resolution authorizing the issuance of the Refunded Bonds. Such notice shall be in substantially the form provided in the Refunding Escrow Agreement. The County Executive and the County Clerk, or either of them, are hereby authorized and directed to take all steps necessary in giving any notices of refunding of the Refunded Bonds, if and as required by law.

SECTION 13. Federal Tax Matters Related to the Bonds. The County recognizes that the purchasers and holders of the Bonds will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is excluded from gross income for purposes of federal income taxation under laws in force on the date of delivery of the Bonds. Accordingly, the County agrees that it shall take no action that may render the interest on any of said Bonds subject to federal income taxation. It is the reasonable expectation of the Governing Body that the proceeds of the Bonds will not be used in a manner which will cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Internal Revenue Code of 1986, as amended (the “Code”), including any lawful regulations promulgated or proposed thereunder, and to this end the said proceeds of the Bonds and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. The Governing Body further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Bonds to the United States government, it will make such payments as and when required by said Section and will take such other actions as shall be necessary or permitted to prevent the interest on the Bonds from becoming subject to inclusion in the gross income for purposes of federal income taxation. The County Executive and the County Clerk, or either of them, are authorized and directed to make such certifications in this regard in connection with
the sale of the Bonds as any or all shall deem appropriate, and such certifications shall constitute a representation and certification of the County. Following the issuance of the Bonds, the County Executive is directed to administer the County's Federal Tax Compliance Policies and Procedures with respect to the Bonds.

SECTION 14. Discharge and Satisfaction of Bonds. If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in any one or more of the following ways, to wit:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers (an "Agent", which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Federal Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice);

(c) By delivering such Bonds to the Registration Agent, for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Escrow Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Federal Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Federal Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Federal Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal, premium, if any, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Federal Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Obligations maturing at times and in amounts sufficient to pay when due the principal, premium, if any, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Federal Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, which bonds or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.
SECTION 15. **Continuing Disclosure.** The County hereby covenants and agrees that it will provide annual financial information and event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The County Executive and the County Clerk, or either of them, or either of them, are authorized to execute at the closing of the sale of the Bonds, an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and event notices to be provided and its obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with its undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

SECTION 16. **Resolution a Contract.** The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.

SECTION 17. **Separability.** If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

SECTION 18. **Repeal of Conflicting Resolutions and Effective Date.** All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

The Honorable Randy Porter, County Executive
and Honorable Board of Commissioners
Putnam County
300 East Spring Street, Room 8
Cookeville, TN 38501

Dear Mr. Porter and Members of the Board:

This letter, report, and plan of refunding (the “Plan”), are to be published and posted on the website of Putnam County (the “County”). Please provide the same letter, report, and Plan to each Commissioner for review at the public meeting when the refunding bond resolution is adopted.

This letter acknowledges receipt on October 12, 2017, of a request from the County to review a Plan for the issuance of a maximum authorized amount of $14,470,000 General Obligation Refunding Bonds, Series 2018 (the “Series 2018 Refunding Bonds”).

Pursuant to the provisions of Tennessee Code Annotated Title 9 Chapter 21, a plan must be submitted to our office for review. The information presented in the Plan includes the assertions of the County and may not reflect either current market conditions or market conditions at the time of sale.

County’s Proposed Refunding Objective

The Series 2018 Refunding Bonds are being issued to achieve net present value debt service savings.

Plan of Refunding

The County intends to current refund $14,800,000 General Obligation Public Improvement Bonds, Series 2007 (the “Series 2007 Bonds”), with $12,290,000 from the proceeds of its Series 2017 Bonds. The proposed Series 2018 Refunding Bonds will be sold competitively priced at a premium of $2,176,866. Additionally, the County will contribute $813,813 of prior issue debt service funds to pay costs of issuance and fund the current refunding escrow.
Balloon Indebtedness

The structure of the Series 2018 Refunding Bonds presented in the Plan does not appear to be balloon indebtedness. If the structure is revised, the County should determine if the new structure complies with the requirements of T.C.A. § 9-21-134 concerning balloon indebtedness. If it is determined that the bond structure constitutes balloon indebtedness, the County must submit a Plan of Balloon Indebtedness to the Director of the Office of State and Local Finance for approval prior to the County adopting the resolution authorizing the issuance of the debt.

Compliance with the County's Debt Management Policy

The County provided a copy of its debt management policy, and within forty-five days (45) of issuance of the debt approved in this letter, is required to submit a Report on Debt Obligation that indicates that this debt complies with its debt policy. If the County amends its policy, please submit the amended policy to this office.

Financial Professionals

The County has indicated that Raymond James is its municipal advisor. Municipal advisors have a fiduciary responsibility to the County. Underwriters have no fiduciary responsibility to the County. They represent the interests of their firm and are not required to act in the County's best interest without regard to their own or other interests. The County prepared the Plan with the assistance of its municipal advisor.

Report of the Review of a Plan of Refunding

The enclosed report does not constitute approval or disapproval for the proposed plan or a determination that a refunding is advantageous or necessary nor that any of the outstanding obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity. This letter and the enclosed report do not address the compliance with federal tax regulations and are not to be relied upon for that purpose. The County should discuss these issues with its bond counsel.

This report is effective for a period of one hundred and twenty (120) days. If the refunding has not been completed during this time, a supplemental plan of refunding must be submitted to this office. At that time, we will issue a report thereon pursuant to the statutes. In lieu of submitting a supplemental plan, a statement may be submitted to our office after the 120-day period has elapsed stating that the information contained in the current plan of refunding remains valid. Either the Chief Executive Officer or the Chief Financial Officer of the local government must submit such statement. We will acknowledge receipt of such statement and will issue our letter confirming that this refunding report remains valid for an additional 120-day period. However, with regard to the report currently being issued by this office, during the initial 120-day period or any subsequent 120-day period no refunding reports will be issued relating to the debt obligations indicated herein as being refunded unless the Chief Executive Officer or the Chief Financial Officer notifies our office that the plan of refunding which has been submitted is no longer valid.
We recognize that the information provided in the plan submitted to our office is based on preliminary analysis and estimates, and that actual results will be determined by market conditions at the time of sale of the debt obligations. However, if it is determined prior to the issuance of these obligations that the actual results will be significantly different from the information provided in the plan which has been submitted, and the local government determines to proceed with the issue, our office should subsequently be notified by either the Chief Executive Officer or the Chief Financial Officer of the local government regarding these differences, and that the local government was aware of the differences and determined to proceed with the issuance of the debt obligations. Notification to our office will be necessary only if there is an increase or decrease of greater than fifteen percent (15%) in any of the following: (1) the principal amount of the debt obligations issued; (2) the costs of issuance; (3) the cumulative savings in loss with regard to any refunding proposal. We consider this notification necessary to ensure that this office and officials of the local government are aware of any significant changes that occur with regard to the issuance of the proposed indebtedness.

Report on Debt Obligation

We are enclosing a Report on Debt Obligation, Form CT-0253. Pursuant to T.C.A. § 9-21-151, this form is to be completed and filed with the governing body of the County no later than forty-five (45) days after the issuance of this debt, with a copy (including attachments, if any) filed with the Director of the Office of State and Local Finance by mail to the address on this letterhead or by email to reportlocalfinance.publicdebtfund@ctm.gov. No public entity may enter into additional debt if it has failed to file the Report on Debt Obligation. A fillable PDF of Form CT-0253 can be found at http://www.comptroller.tn.gov/gf/publicdebts.asp.

If you should have any questions regarding this letter or the following report, please feel free to call us.

Sincerely,

Sandra Thompson
Director of the Office of State & Local Finance

Enclosures (2): Report of the Director of the Office of State & Local Finance
    Report on Debt Obligation
Putnam County (the “County”) submitted a plan of refunding (the “Plan”), as required by T.C.A. § 9-21-903 regarding the issuance of a maximum authorized amount of $14,470,000 General Obligation Refunding Bonds, Series 2018 (the “Series 2018 Refunding Bonds”).

The Plan was prepared with the assistance of the County’s municipal advisor, Raymond James. An evaluation of the preparation, support, and underlying assumptions of the Plan has not been performed by this office. This report provides no assurances of the reasonableness of the underlying assumptions. This report must be presented to the governing body prior to the adoption of a refunding bond resolution. The Series 2018 Refunding Bonds may be issued with a structure different from that of the Plan. The County provided a copy of its debt management policy.

**Balloon Indebtedness**

The structure of the Series 2018 Refunding Bonds presented in the Plan does not appear to be balloon indebtedness. If the structure is revised, the County should determine if the new structure complies with the requirements of T.C.A. § 9-21-134 concerning balloon indebtedness. If it is determined that the bond structure constitutes balloon indebtedness, the County must submit a Plan of Balloon Indebtedness to the Director of the Office of State and Local Finance for approval prior to the County adopting the resolution authorizing the issuance of the debt.

The Series 2018 Refunding Bonds are being issued to achieve net present value debt service savings.

**Plan of Refunding**

The County intends to current refund $14,800,000 General Obligation Public Improvement Bonds, Series 2007 (the “Series 2007 Bonds”), with $12,290,000 from the proceeds of its Series 2018 Refunding Bonds. The proposed Series 2018 Refunding Bonds will be sold competitively priced at a premium of $2,176,866. Additionally, the County will contribute $813,813 of prior issue debt service funds to pay costs of issuance and fund the current refunding escrow.

**Refunding Analysis**

- The results of the refunding are based on the assumption that the County intends to competitively sell $12,290,000 Series 2018 Refunding Bonds priced at a premium of $2,176,866 with a contribution of $813,813 from the County.
- The estimated total annual gross savings is $1,886,120, with approximate level average annual savings of $188,301.
- The estimated net present value debt service savings is $1,708,200 or 11.54% of the refunded principal amount of $14,800,000.
- The final maturity of the Series 2018 Refunding Bonds does not extend beyond the final maturity of the Series 2007 Bonds.
- Estimated cost of issuance of the Series 2018 Refunding Bonds is $179,215 or $14.58 per $1,000 of par amount. See Table 1 for individual costs of issuance.

The County has indicated that Raymond James is its municipal advisor. Municipal advisors have a fiduciary responsibility to you, the issuer. Underwriters have no fiduciary responsibility to you. They represent the interests of their firm.

This report of the Office of State and Local Finance does not constitute approval or disapproval by the office for the Plan or a determination that a refunding is advantageous or necessary nor that any of the refunded obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity. This report is based on information as presented in the Plan by the County. The assumptions included in the County's Plan may not reflect either current market conditions or market conditions at the time of sale.

If not all of the Series 2007 Bonds are refunded with the Series 2018 Refunding Bonds, and the County wishes to refund them in a subsequent bond issue, then a new plan will have to be submitted to this office for review.

ESTABLISHMENT AND ADMINISTRATION OF FUNDS

(a) Creation of Escrow: Deposit of Funds. The County hereby creates and establishes with the Agent a special and irrevocable escrow composed of the Escrowed Property and hereby deposits with the Agent and the Agent hereby acknowledges receipt of $_________ as described in Division 1 hereof. The monies so deposited, together with investment income therefrom, is herein referred to as the “Escrow Fund” and shall constitute a fund to be held by the Agent as a part of the Escrowed Property created, established, and governed by this Agreement.

(b) Investment of Funds. The monies described in Section 2(a) hereof shall be held or invested as follows:

(a) the amount of $_________ shall be used to purchase the Government Securities described on Exhibit B attached hereto; and

(b) the amount of $_________ shall be held as cash in a non-interest-bearing account.

Except as provided in Sections 2(d) and 2(f) hereof, the investment income from the Government Securities in the Escrow Fund shall be credited to the Escrow Fund and shall not be reinvested. The Agent shall have no power or duty to invest any monies held hereunder or to make substitutions of Government Securities held hereunder or to sell, transfer, or otherwise dispose of the Government Securities acquired hereunder except as provided herein.

(c) Disposition of Escrow Funds. The Agent shall without further authorization or direction from the County collect the principal and interest on the Government Securities promptly as the same shall fall due. From the Escrow Fund, to the extent that monies therein are sufficient for such purpose, the Agent shall make timely payments to the paying agent, or its successor, for the Outstanding Bonds of monies sufficient for the payment of the principal of and interest on the Outstanding Bonds as the same
shall become due and payable. Amounts and dates of principal and interest payments and redemption
dates and the name and address of the paying agent with respect to the Outstanding Bonds are set forth on
Exhibit A. Payment on the dates to the paying agent in accordance with Exhibit A shall constitute full
performance by the Agent of its duties hereunder with respect to each respective payment. The County
represents and warrants that the Escrow Fund, if held, invested and disposed of by the Agent in
accordance with the provisions of this Agreement, will be sufficient to make the foregoing payments. No
paying agent fees, fees and expenses of the Agent, or any other costs and expenses associated with the
Refunding Bonds or the Outstanding Bonds shall be paid from the Escrow Fund, and the County agrees to
pay all such fees, expenses, and costs from its legally available funds as such payments become due.
When the Agent has made all required payments of principal and interest on the Outstanding Bonds to the
respective paying agent as hereinabove provided, the Agent shall transfer any monies or Government
Securities then held hereunder to the County and this Agreement shall terminate.

(d) Excess Funds. Except as provided in Section 2(f) hereof, amounts held by the Agent,
representing interest on the Government Securities in excess of the amount necessary to make the
corresponding payment of principal, interest and/or premium on the Outstanding Bonds, shall be held by
the Agent without interest and shall be applied before any other Escrow Fund monies to the payment of
the next ensuing principal, interest and/or premium payment on the Outstanding Bonds. Upon retirement
of all the Outstanding Bonds, the Agent shall pay any excess amounts remaining in the Escrow Fund to
the County.

(e) Reports. The Escrow Agent shall deliver to the County Clerk of the County on or before
the first day of August of each year a monthly report summarizing all transactions relating to the Escrow
Fund and shall deliver to the County Clerk a report current as of June 30 of that year, which shall
summarize all transactions relating to the Escrow Fund effected during that year and which also shall set
forth all assets in the Escrow Fund as of June 30 and set forth opening and closing balances thereof for
that year.

(f) Investment of Moneys Remaining in Escrow Fund. The Agent may invest and reinvest
any monies remaining from time to time in the Escrow Fund until such time as they are needed. Such
monies shall be invested in Government Securities, maturing no later than the next interest payment date
of the Outstanding Bonds, or for such periods or at such interest rates as the Agent shall be directed by
Written Request, provided, however, that the County shall furnish the Agent, as a condition precedent to
such investment, with an opinion from nationally recognized bond counsel stating that such reinvestment
of such monies will not, under the statutes, rules and regulations then in force and applicable to
obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding
Bonds or the Outstanding Bonds not to be excluded from gross income for Federal income tax purposes
and that such investment is not inconsistent with the statutes and regulations applicable to the Refunding
Bonds or the Outstanding Bonds. Any interest income resulting from reinvestment of monies pursuant to
this Section 2(f) shall be applied first to the payment of principal of and interest and premium on the
Outstanding Bonds to the extent the Escrow is or will be insufficient to retire the Outstanding Bonds as
set forth on Exhibit A and any excess shall be paid to the County to be applied to the payment of the
Refunding Bonds or the expenses of issuance thereof.

(g) Irrevocable Escrow Created. The deposit of monies, Government Securities, matured
principal amounts thereof, and investment proceeds therefrom in the Escrow Fund shall constitute an
irrevocable deposit of said monies and Government Securities for the benefit of the holders of the
Outstanding Bonds, except as provided herein with respect to amendments permitted under Section 4(a)
hereof. All the funds and accounts created and established pursuant to this Agreement shall be and
constitute escrow funds for the purposes provided in this Agreement and shall be kept separate and
distinct from all other funds of the County and the Agent and used only for the purposes and in the manner provided in this Agreement.

(h) **Redemption of the Outstanding Bonds.** [The Outstanding Bonds shall be redeemed as stated on Exhibit C attached hereto. The Agent is authorized to give notice [to the paying agent for the Outstanding Bonds not less than 45 days prior to the stated redemption date of the Outstanding Bonds directing the paying agent bank to give notice] to the holders of the Outstanding Bonds as and when required by the resolution authorizing the Outstanding Bonds.] [The County has given irrevocable instructions to the paying agent of the Outstanding Bonds to redeem the Outstanding Bonds on April 1, 2018 and no further action is required by the Agent as it relates to the giving of any redemption notice.]

**SECTION 3.**

**CONCERNING THE AGENT**

(a) **Appointment of Agent.** The County hereby appoints the Agent as escrow agent under this Agreement.

(b) **Acceptance by Agent.** By execution of this Agreement, the Agent accepts the duties and obligations as Agent hereunder. The Agent further represents that it has all requisite power, and has taken all corporate actions necessary to execute the escrow hereby created.

(c) **Liability of Agent.** The Agent shall be under no obligation to inquire into or be in any way responsible for the performance or nonperformance by the County or any paying agent of its obligations, or to protect any of the County's rights under any bond proceedings or any of the County's other contracts with or franchises or privileges from any state, county, County or other governmental agency or with any person. The Agent shall not be liable for any act done or step taken or omitted to be taken by it, or for any mistake of fact or law, or anything which it may do or refrain from doing, except for its own gross negligence or willful misconduct in the performance or nonperformance of any obligation imposed upon it hereunder. The Agent shall not be responsible in any manner whatsoever for the recitals or statements contained herein or in the Outstanding Bonds or in the Refunding Bonds or in any proceedings taken in connection therewith, but they are made solely by the County. The Agent shall have no lien whatsoever upon any of the monies or investments in the Escrow Fund for the payment of fees and expenses for services rendered by the Agent under this Agreement.

The Agent shall not be liable for the accuracy of the calculations as to the sufficiency of Escrow Fund monies and Government Securities and the earnings thereon to pay the Outstanding Bonds. So long as the Agent applies any monies, the Government Securities and the interest earnings therefrom to pay the Outstanding Bonds as provided herein, and complies fully with the terms of this Agreement, the Agent shall not be liable for any deficiencies in the amounts necessary to pay the Outstanding Bonds caused by such calculations. The Agent shall not be liable or responsible for any loss resulting from any investment made pursuant to this Agreement and in full compliance with the provisions hereof.

In the event of the Agent's failure to account for any of the Government Securities or monies received by it, said Government Securities or monies shall be and remain the property of the County in escrow for the benefit of the holders of the Outstanding Bonds, as herein provided, and if for any improper reason such Government Securities or monies are applied to purposes not provided for herein or misappropriated by the Agent, the assets of the Agent shall be impressed with a trust for the amount thereof until the required application of such funds shall be made or such funds shall be restored to the Escrow Fund.
(d) **Permitted Acts.** The Agent and its affiliates may become the owner of or may deal in the Refunding Bonds or Outstanding Bonds as fully and with the same rights as if it were not the Agent.

(e) **Exculpation of Funds of Agent.** Except as set forth in Section 3(c), none of the provisions contained in this Agreement shall require the Agent to use or advance its own funds or otherwise incur personal financial liability in the performance of any of its duties or the exercise of any of its rights or powers hereunder. The Agent shall be under no liability for interest on any funds or other property received by it hereunder, except as herein expressly provided.

(f) **No Redemption or Acceleration of Maturity.** The Agent will not pay any of the principal of or interest on the Outstanding Bonds, except as provided in Exhibit A attached hereto and will not redeem or accelerate the maturity of any of the Outstanding Bonds except as provided in Section 2 hereof.

(g) **Qualifications of Agent.** There shall at all times be an Agent hereunder that shall be a corporation or banking association organized and doing business under the laws of the United States or any state, authorized under the laws of its incorporation to exercise the powers herein granted, having a combined capital, surplus, and undivided profits of at least $75,000,000 and subject to supervision or examination by federal or state authority. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this paragraph the combined capital, surplus, and undivided profits of such corporation or association shall be deemed to be its combined capital, surplus, and undivided profits as set forth in its most recent report of condition as published. In case at any time the Agent shall cease to be eligible in accordance with the provisions of this section, the Agent shall resign immediately in the manner and with the effect specified herein.

(h) **Resignation of Agent.** The Agent may at any time resign by giving direct written notice to the County and by giving the holders of the Outstanding Bonds notice by first-class mail of such resignation. Upon receiving such notice of resignation, the County shall promptly appoint a successor escrow agent by resolution of its governing body. If no successor escrow agent shall have been appointed and have accepted appointment within thirty (30) days after the publication of such notice of resignation, the resigning Agent may petition any court of competent jurisdiction located in Putnam County, Tennessee, for the appointment of a successor, or any holder of the Outstanding Bonds may, on behalf of himself and others similarly situated, petition any such court for the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor meeting the qualifications set forth in Section 3. The Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

(i) **Removal of Agent.** In case at any time the Agent shall cease to be eligible in accordance with the provisions of Section 3(g) hereof and shall fail to resign after written request therefor by the County or by any holder of the Outstanding Bonds, or the Agent shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Agent or any of its property shall be appointed, or any public officer shall take charge or control of the Agent or its property or affairs for the purpose of rehabilitation, conservation, or liquidation, then in any such case, the County may remove the Agent and appoint a successor by resolution of its governing body or any such bondholder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction situated in the County for the removal of the Agent and the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, remove the Agent and appoint a successor who shall meet the qualifications set forth in Section 3(g). Unless incapable of serving, the Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.
The holders of a majority in aggregate principal amount of all the Outstanding Bonds at any time outstanding may at any time remove the Agent and appoint a successor by an instrument or concurrent instruments in writing signed by such bondholders and presented, together with the successor's acceptance of appointment, to the County and the Agent.

Any resignation or removal of the Agent and appointment of a successor pursuant to any of the provisions of this Agreement shall become effective upon acceptance of appointment by the successor as provided in Section 3(j) hereof.

(j) **Acceptance by Successor.** Any successor escrow agent appointed as provided in this Agreement shall execute, acknowledge and deliver to the County and to its predecessor an instrument accepting such appointment hereunder and agreeing to be bound by the terms hereof, and thereupon the resignation or removal of the predecessor shall become effective and such successor, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor, with like effect as if originally named as Agent herein; but, nevertheless, on Written Request of the County or the request of the successor, the predecessor shall execute and deliver an instrument transferring to such successor all rights, powers and escrow property of the predecessor. Upon request of any such successor, the County shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor all such rights, powers and duties. No successor shall accept appointment as provided herein unless at the time of such acceptance such successor shall be eligible under the provisions of Section 3(g) hereof.

Any corporation into which the Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Agent shall be a party, or any corporation succeeding to the business of the Agent, shall be the successor of the Agent hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor shall be eligible under the provisions of Section 3(g) hereof.

(k) **Payment to Agent.** The County agrees to pay the Agent, as reasonable and proper compensation under this Agreement a one-time fee of $______. The Agent shall be entitled to reimbursement of all advances, counsel fees and expenses, and other costs made or incurred by the Agent in connection with its services and/or its capacity as Agent or resulting therefrom. In addition, the County agrees to pay to the Agent all out-of-pocket expenses and costs of the Agent incurred by the Agent in the performance of its duties hereunder, including all publication, mailing and other expenses associated with the redemption of the Outstanding Bonds; provided, however, that to the extent permitted by applicable law, the County agrees to indemnify the Agent and hold it harmless against any liability which it may incur while acting in good faith in its capacity as Agent under this Agreement, including, but not limited to, any court costs and attorneys' fees, and such indemnification shall be paid from available funds of the County and shall not give rise to any claim against the Escrow Fund. In addition, the Agent shall indemnify the County and hold it harmless against any liability which it may incur resulting from any failures by the Agent to perform its duties hereunder.

**SECTION 4.**

**MISCELLANEOUS**

(a) **Amendments to this Agreement.** This Agreement is made for the benefit of the County, the holders from time to time for the Outstanding Bonds, and it shall not be repealed, revoked, altered or
amended without the written consent of all such holders, the Agent and the County; provided, however, that the County and the Agent may, without the consent of, or notice to, such holders, enter into such agreements supplemental to this Agreement as shall not adversely affect the rights of such holders and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

(a) to cure any ambiguity or formal defect or omission in this Agreement;

(b) to grant to, or confer upon, the Agent for the benefit of the holders of the Outstanding Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Agent; and

(c) to subject to this Agreement additional funds, securities or properties.

The Agent shall be entitled to rely exclusively upon an unqualified opinion of nationally recognized bond counsel with respect to compliance with this Section, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the holders of the Outstanding Bonds, or that any instrument executed hereunder complies with the conditions and provisions of this Section.

Notwithstanding the foregoing or any other provision of this Agreement, upon Written Request and upon compliance with the conditions hereinafter stated, the Agent shall have the power to and shall, in simultaneous transactions, sell, transfer, otherwise dispose of or request the redemption of the Government Securities held hereunder and to substitute therefor direct obligations of, or obligations the principal of and interest on which are fully guaranteed by the United States of America, subject to the condition that such monies or securities held by the Agent shall be sufficient to pay principal of, premium, if any, and interest on the Outstanding Bonds. The County hereby covenants and agrees that it will not request the Agent to exercise any of the powers described in the preceding sentence in any manner which will cause the Refunding Bonds to be arbitrage bonds within the meaning of Section 148 of the Code in effect on the date of such request and applicable to obligations issued on the issue date of the Refunding Bonds. The Agent shall purchase such substituted securities with the proceeds derived from the maturity, sale, transfer, disposition or redemption of the Government Securities held hereunder or from other monies available. The transactions may be effected only if there shall have been submitted to the Agent: (1) an independent verification by a nationally recognized independent certified public accounting firm concerning the adequacy of such substituted securities with respect to principal and the interest thereon and any other monies or securities held for such purpose to pay when due the principal of, premium, if any, and interest on the Outstanding Bonds in the manner required by the proceedings which authorized their issuance; and (2) an opinion from nationally recognized bond counsel to the effect that the disposition and substitution or purchase of such securities will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding Bonds not to be exempt from Federal income taxation. Any surplus monies resulting from the sale, transfer, other disposition or redemption of the Government Securities held hereunder and the substitutions therefor of direct obligations of, or obligations the principal of and interest on which is fully guaranteed by, the United States of America, shall be released from the Escrow Fund and shall be transferred to the County.

(b) **Severability.** If any provision of this Agreement shall be held or deemed to be invalid or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatsoever.
(c) **Governing Law.** This Agreement shall be governed and construed in accordance with the law of the State of Tennessee.

(d) **Notices.** Any notice, request, communication or other paper shall be sufficiently given and shall be deemed given when delivered or mailed by Registered or Certified Mail, postage prepaid, or sent by telegram as follows:

300 E. Spring Street

To the Agent:

The County and the Agent may designate in writing any further or different addresses to which subsequent notices, requests, communications or other papers shall be sent.

(e) **Agreement Binding.** All the covenants, promises and agreements in this Agreement contained by or on behalf of the parties shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

(f) **Termination.** This Agreement shall terminate when all transfers and payments required to be made by the Agent under the provisions hereof shall have been made.

(g) **Execution by Counterparts.** This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

FORM OF ENGAGEMENT LETTER OF BOND COUNSEL

LETTERHEAD OF BASS, BERRY & SIMS PLC

November 20, 2017

Putnam County, Tennessee
300 E. Spring Street
Cookeville, Tennessee 38501
Attention: Randy Porter, County Executive

Re: Issuance of Not to Exceed $14,470,000 in Aggregate Principal Amount of General Obligation Refunding Bonds.

Dear Mr. Porter:

The purpose of this engagement letter is to set forth certain matters concerning the services we will perform as bond counsel to Putnam County, Tennessee (the “Issuer”), in connection with the issuance of the above-referenced bonds (the “Bonds”). We understand that the Bonds are being issued for the purpose of providing funds necessary to refinance certain outstanding bonds identified in a resolution authorizing the Bonds adopted on November 20, 2017 (the “Resolution”) and to pay costs of issuance of the Bonds, as more fully set forth in the Resolution. We further understand that the Bonds will be sold by competitive sale.

SCOPE OF ENGAGEMENT

In this engagement, we expect to perform the following duties:

1. Subject to the completion of proceedings to our satisfaction, render our legal opinion (the Bond Opinion) regarding the validity and binding effect of the Bonds, the source of payment and security for the Bonds, and the excludability of interest on the Bonds from gross income for federal income tax purposes.

2. Prepare and review documents necessary or appropriate for the authorization, issuance and delivery of the Bonds, coordinate the authorization and execution of such documents, and review enabling legislation.

3. Assist the Issuer in seeking from other governmental authorities such approvals, permissions and exemptions as we determine are necessary or appropriate in connection with the authorization, issuance, and delivery of the Bonds, except that we will not be responsible for any required blue-sky filings.

4. Review legal issues relating to the structure of the Bond issue.

5. Draft those sections of the official statement to be disseminated in connection with the sale of the Bonds, describing the Bond Opinion, the terms of and security for the Bonds, and the treatment of the Bonds and interest thereon under state and federal tax law.
6. Assist the Issuer in presenting information to bond rating organizations and providers of credit enhancement relating to legal issues affecting the issuance of the Bonds, if requested.

7. Prepare and review the notice of sale pertaining to the competitive sale of the Bonds, if any, and review the bond purchase agreement, if sold at negotiated sale.

8. Draft the continuing disclosure undertaking of the Issuer.

Our Bond Opinion will be addressed to the Issuer and will be delivered by us on the date the Bonds are exchanged for their purchase price (the “Closing”).

The Bond Opinion will be based on facts and law existing as of its date. In rendering our Bond Opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation, and we will assume continuing compliance by the Issuer with applicable laws relating to the Bonds. During the course of this engagement, we will rely on you to provide us with complete and timely information on all developments pertaining to any aspect of the Bonds and their security. We understand that you will direct members of your staff and other employees of the Issuer to cooperate with us in this regard.

Our duties in this engagement are limited to those expressly set forth above. Among other things, our duties do not include:

a. Except as described in paragraph (5) above,

   1) Assisting in the preparation or review of an official statement or any other disclosure document with respect to the Bonds, or

   2) Performing an independent investigation to determine the accuracy, completeness or sufficiency of any such document, or

   3) Rendering advice that the official statement or other disclosure documents

      a) Do not contain any untrue statement of a material fact or

      b) Do not omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

b. Preparing requests for tax rulings from the Internal Revenue Service, or no action letters from the Securities and Exchange Commission.

c. Preparing blue sky or investment surveys with respect to the Bonds.

d. Drafting state constitutional or legislative amendments.

e. Pursuing test cases or other litigation, (such as contested validation proceedings).
f. Making an investigation or expressing any view as to the creditworthiness of the Issuer or the Bonds.

g. Except as described in paragraph 8 above, assisting in the preparation of, or opining on, a continuing disclosure undertaking pertaining to the Bonds or, providing advice concerning any actions necessary to assure compliance with any continuing disclosure undertaking.

h. Representing the Issuer in Internal Revenue Service examinations or inquiries, or Securities and Exchange Commission investigations.

i. After Closing, providing continuing advice to the Issuer or any other party concerning any actions necessary to assure that interest paid on the Bonds will continue to be excludable from gross income for federal income tax purposes (e.g., our engagement does not include rebate calculations for the Bonds).

j. Addressing any other matter not specifically set forth above that is not required to render our Bond Opinion.

ATTORNEY-CLIENT RELATIONSHIP

Upon execution of this engagement letter, the Issuer will be our client and an attorney-client relationship will exist between us. We assume that all other parties will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction. We further assume that all other parties understand that in this transaction we represent only the Issuer, we are not counsel to any other party, and we are not acting as an intermediary among the parties. Our services as bond counsel are limited to those contracted for in this letter; the Issuer’s execution of this engagement letter will constitute an acknowledgment of those limitations. Our representation of the Issuer will not affect, however, our responsibility to render an objective Bond Opinion. Please note that, in our representation of the Issuer, we will not act as a “municipal advisor”, as such term is defined in the Securities Exchange Act of 1934, as amended.

Our representation of the Issuer and the attorney-client relationship created by this engagement letter will be concluded upon issuance of the Bonds. Nevertheless, subsequent to Closing, we will mail the appropriate Internal Revenue Service Forms 8038-G, and prepare and distribute to the participants in the transaction a transcript of the proceedings pertaining to the Bonds.

As you are aware, our firm represents many political subdivisions, companies and individuals. It is possible that during the time that we are representing the Issuer, one or more of our present or future clients will have transactions with the Issuer. It is also possible that we may be asked to represent, in an unrelated matter, one or more of the entities involved in the issuance of the Bonds. We do not believe such representation, if it occurs, will adversely affect our ability to represent you as provided in this letter, either because such matters will be sufficiently different from the issuance of the Bonds as to make such representations not adverse to our representation of you, or because the potential for such adversity is remote or minor and outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of the issuance of the Bonds. Our firm represents Raymond James and Associates, Inc. on matters unrelated to the Bonds. We believe this representation fits within the foregoing description. Execution of this letter will signify the Issuer’s consent to such representation and to our representation of others consistent with the circumstances described in this paragraph.
FEES

Based upon: (i) our current understanding of the terms, structure, size and schedule of the financing represented by the Bonds; (ii) the duties we will undertake pursuant to this engagement letter; (iii) the time we anticipate devoting to the financings; and (iv) the responsibilities we will assume in connection therewith, we estimate that our fee will be $25,000 for the Bonds. Our fees may vary: (a) if the principal amount of Bonds actually issued differs significantly from the amounts stated above; (b) if material changes in the structure or schedule of the respective financings occur; or (c) if unusual or unforeseen circumstances arise which require a significant increase in our time or responsibility. If, at any time, we believe that circumstances require an adjustment of our original fee estimates, we will advise you and prepare and provide to you an amendment to this engagement letter. The fees quoted above will include all out-of-pocket expenses advanced for your benefit, such as travel costs, photocopying, deliveries, long distance telephone charges, telecopier charges, filing fees, computer-assisted research and other expenses.

If, for any reason, the financing represented by the Bonds is completed without the delivery of our Bond Opinion as bond counsel or our services are otherwise terminated, we will expect to be compensated at our normal rates for the time actually spent on your behalf plus client charges as described above unless we have failed to meet our responsibilities under this engagement, but in no event will our fees exceed the amount set forth above.

RECORDS

At your request, papers and property furnished by you will be returned promptly upon receipt of payment for outstanding fees and client charges. All goods, documents, records, and other work product and property produced during the performance of this engagement are deemed to be Issuer's property. We agree to maintain documentation for all charges against the Issuer. Our books, records, and documents, insofar as they relate to work performed or money received under this engagement, shall be maintained for a period of three (3) full years from the respective Closings and will be subject to audit, at any reasonable time and upon reasonable notice by the Issuer or its duly appointed representatives.

OTHER MATTERS

We have not retained any persons to solicit or secure this engagement from the Issuer upon an agreement or understanding for a contingent commission, percentage, or brokerage fee. We have not offered any employee of the Issuer a gratuity or an offer of employment in connection with this engagement and no employee has requested or agreed to accept a gratuity or offer of employment in connection with this engagement.

Any modification or amendment to this Engagement Letter must be in writing, executed by us and contain the signatures of the Issuer. The validity, construction and effect of this Engagement Letter and any and all extensions and/or modifications thereof shall be governed by the laws of the State of Tennessee. Any action between the parties arising from this Engagement Letter shall be maintained in the state or federal courts of Davidson County, Tennessee.

CONCLUSION

If the foregoing terms are acceptable to you, please so indicate by returning the enclosed copy of this engagement letter dated and signed by an authorized officer, retaining the original for your files. We look forward to working with you.
