Dear Mr. Porter and Members of the Board:

This letter acknowledges receipt of a certified copy of the fiscal year 2018 budget.

We have reviewed the budget and have determined that projected revenues and other available funds are sufficient to meet anticipated expenditures. Our review of the budget is based solely on the information we have received and is for determining that the budget appears to be balanced. With regard to programs included in the budget such as education, roads, and corrections, we have not attempted to determine that the local government has complied with specific program statutes or guidelines, or with any financing requirements prescribed by any state or federal agency. A property tax rate may be included in this budget, and we would recommend that local government officials be certain that all program requirements have been met before initiating the tax collection process.

This letter constitutes approval, by this office, for the County’s fiscal year 2018 budget as adopted by the County Commission.

If you should have any questions or we may be of assistance, please feel free to call us.

Sincerely,
