TO: KIM BLAYLOCK, COUNTY EXECUTIVE
FROM: LINDA REEDER, CLERK & MASTER (53400) CHANCERY COURT
SUBJECT: TRANSFER OF FUNDS IN LINE ITEMS

I would like to request that $1,000.00 be transferred from Line Item 189 (Other Salaries) to Line Item 199 (Other Per Diem and Fees). As per the Commission's recommendation that we turn in a 0% budget last year, I did not ask for an increase in my Court Officer's (Other Per Diem & Fees) fees and as a result of more court days this year, I have a shortage in this line item and need the $1,000.00 in order to cover this expense through June, 2010.

Your consideration of this request is greatly appreciated.

Sincerely,
Linda Reeder

</tr>
</tbody>

#189 is Other Wages and Salaries: Jim came to work for us after the new fiscal year.

#399 is Other Contracted Services: I did not budget for Superior Security. When we were at the Court House we had no such fee. It is a total of only $300.00. But the hours for our Machine Techs went over what I had budgeted. My fault and I will not do that this next Election. I had the two of them to help with machine classes. That is not necessary.

WHEREAS, the Governing Body finds that it is advantageous to the Local Government to authorize the issuance of capital outlay notes to finance the cost of the Project;

NOW, THEREFORE, BE IT RESOLVED, by the Governing Body of Putnam County, Tennessee, as follows:

\[
\begin{align*}
41,000 & \text{ for paving} \\
200,000 & \text{ for software} \\
322,000 & \text{ for software} \\
170,000 & \text{ in budget} \\
71,000 & \text{ in budget} \\

The Governing Body of the Local Government hereby authorizes, if necessary, the levy and collection of a special tax on all taxable property of the Local Government over and above all other taxes authorized by the Local Government to create a sinking fund to retire the Notes with interest as they mature in an amount necessary for that purpose.

Each Note shall have qualities and incidents of a negotiable instrument and shall be transferable upon the note register kept by the Local Government or its agent, by the registered owner of the Note in person or by

Section 10. That, after the issuance and sale of the Notes, and for each year that any of the Notes are outstanding, the Local Government shall submit its annual budget to the
State Director of Local Finance for approval immediately upon the Local Government's adoption of the budget.

Section 11. Mrs. Debby Francis
Budget Coordinator
Putnam County Executive Office

Dear Debby:

If possible I would like to be added to the Fiscal Review meeting agenda for tonight.

I am sorry I have requested this at such a late date but I did not realize I would need to present this item to fiscal review and budget committee before July 1, 2010.

Putnam County will start the 5 year state mandated reappraisal program on July 1, 2010 for the 2011 tax year. For the 2006 reappraisal program we budgeted $15,000 overtime money. For the 2011 reappraisal I would like to request a part-time position of $18,000 to be filled by a former employee who has many years of reappraisal program experience.

During the 2006 reappraisal program we trained an employee to supervise the reappraisal program and who has now moved out of state. I will utilize the part-time experienced employee to not only supervise the reappraisal program but to also train current employees.

I will need to put this part-time employee on payroll as of July 1, 2010.

Sincerely,

Rhonda L. Chaffin
Assessor of Property
RE: Reappraisal 2011

County Commissioner:

Monday June 14th I presented to the Fiscal Review committee the 2011 Reappraisal plan.

I would like to give you some information to clear up some issues that are in question.

On April 17, 2006 the county commission approved a 5 year reappraisal plan submitted by the Assessor’s office and the State of Tennessee Division of Property Assessments/Comptroller of the Treasury. The reappraisal plan total budget (July 1, 2007 to June 30, 2011) was approved by both parties for $503,211.

Our budget, submitted to the budget committee and approved, totals $469,337. We have worked very hard at submitting budgets that would be satisfactory to the county commission and would fund the reappraisal program. In the 2009-2010 Assessor’s budget we eliminated one employee position to offset the budget stress.

The 2006 Reappraisal used $14,534 of the $15,000 budgeted for staff overtime.

The 2011 Reappraisal budget request $3,000 in overtime monies which is the same as previous years and $15,890 for a one year part time employee. I would like to hire a former employee who retired with 14 years from the Assessor’s office. His experience will be invaluable to this reappraisal considering the state of our economy.

The overtime monies of $3,000 included in the budget are normally used for Personal Property staff whom mail, audit, and computer process 3200 business equipment schedules March 1 to April 15 of each year. This does not include the time given for individual consultation and the procedure used for the schedules not returned and have to be system forced.

The general fund includes fees received from the State Reappraisal Grant (46160) and from each city for their portion of the reappraisal program.
As of this date we have not budgeted any over time money for the Reappraisal program for several reasons. The number of good qualified sales used for this reappraisal is lower than any other reappraisal program in the past because of the economy. We have cross trained several employees to help with computer processing and I feel we will be able to manage within the budget request.

The budget does ask to move one current part-time employee to a full time position and one full time employee who is retiring to be changed to a part-time position after the retirement date. This would require extra funding for a few months but the new position pay scale is much lower than the retiring position.

I will present to you on Monday June 21 at the regular county commission meeting hand outs with the approved reappraisal plan and a copy of this years reappraisal budget request.

I will also include a copy of the sales data January 1, 2009 to present of the “qualified” sales to be used in the reappraisal program. I think you will be interested to see the consideration paid compared to the assessor’s appraisal. These sales will be used to determine the new land prices and the building square foot rates for the 2011-2015 tax years.

If you have any questions, please feel free to call me at the office or my cell phone 931-261-3065.

Sincerely,

Rhonda L. Chaffin
Assessor of Property
