(SEE ATTACHED)
RESOLUTION
RESOLUTION OF THE BOARD OF COMMISSIONERS FOR
PUTNAM COUNTY, TENNESSEE
TO ASSIST IN THE RESOLUTION OF DELINQUENT TAXES
RELATED TO 2437 NORTH WASHINGTON AVENUE,
COOKEVILLE, TENNESSEE

WHEREAS, Putnam County desires to assist in the resolution of outstanding delinquent
tax issues related to 2437 North Washington Avenue, Cookeville, Tennessee, also known as the
"Harris Metals" property; and

WHEREAS, it is necessary for the County Commission of Putnam County, Tennessee, to
adopt a resolution regarding such assistance; and

WHEREAS, the provisions of the foregoing resolution will be incorporated into an order
of the Putnam County Chancery Court confirming a public auction of the property in question;
and

WHEREAS, the purchasers are having difficulty obtaining clear title to the same due to
outstanding delinquent property taxes.

WHEREAS, the purchasers intend to remediate and cleanup the property in question to
make the property both income producing and tax producing.

NOW, THEREFORE,

1. BE IT RESOLVED by the County Commission of Putnam County, Tennessee, meeting
on this the 27th day of January, 2014, that it has entered into the foregoing resolution
based on the following facts:

a. The property located at 2437 North Washington Avenue, Cookeville, Tennessee,
is approximately 9.83 acres with a building of approximately 46,450 square feet.

b. The previous owner of the property failed to pay real property taxes. Currently, the outstanding real property taxes regarding the property total $271,578.98. Of that amount, $215,233.18 is owed to Putnam County with the amount of $57,345.80 owed to the City of Cookeville. The base amount of said outstanding taxes is currently $90,579.34 owed to Putnam County with the base amount of $24,577.00 owed to the City of Cookeville.

c. The Tennessee Department of Environment and Conservation issued a notice of environmental violation against the property in 2006, but had been working to resolve environmental issues on the property for several years prior to the aforementioned notice of violation. Currently, there are a number of barrels of toxic waste on the site. Furthermore, there are 4620.77 cubic yards of contaminated foundry sand according to the Tennessee Department of Environment and Conservation that must be removed from the site or remediated. Given the fact that the property has severe environmental problems, said property was never included in a delinquent tax sale due to the County’s desire to avoid the financial responsibility for the environment cleanup.

d. A creditor of the previous owner of the property, Capital Crossing, filed a Petition for Receivership in the Chancery Court for Putnam County in which Putnam County intervened to protect its tax liens.

e. During the pendency of the receivership, the property was offered to Putnam County. Putnam County declined to exercise its option to purchase the same.

f. The property was auctioned in August 2013 for a purchase price of $205,000. Auctioneer Sam Tayes reported to the County Commission that this is a reasonable sale based on the problems with the property.

2. **Tennessee Code Annotated, § 67-5-2802, provides a mechanism by which penalty, interest, and attorneys’ fees can be waived upon the finding that the following factors exist:**

   (1) The property has been determined to be environmentally hazardous pursuant to federal or state environmental protection or hazardous materials laws by those officials, agencies or courts with the responsibility for enforcing the environmental protection or hazardous materials laws;

   (2) The county legislative body has determined that no bid should
be made on behalf of the governmental entity to which taxes are owed pursuant to § 67-5-2506;

(3) The waiver is made in conjunction with the remediation and cleanup of the property; and

(4) The circumstances giving rise to the waiver did not result from fraud or an intention to avoid payment.

BE IS RESOLVED that this legislative body finds that the property has been determined by the Tennessee Department of Environment and Conservation to be environmentally hazardous, no bid should be made on behalf of Putnam County, the circumstances regarding any waiver of penalty, interest, and attorneys’ fees does not result from any fraud or an intention to avoid payment, and any waiver of penalty, interest, and attorneys’ fees is being made in conjunction with the remediation and cleanup of the property. Accordingly, the County Commission pursuant to Tennessee Code Annotated, § 67-5-2802 waives all penalties, interest, and attorneys’ fees related to the property in question.

3. As for the base amount of the taxes for the property in question, the County Commission understands that while Putnam County intervened in the Petition for Receivership, as a creditor of the former owner due to outstanding property taxes, it is technically a defendant in the receivership. The County Commission further understands that the ten year statute of limitations for delinquent property taxes is waivable. As such, the County Commission RESOLVES to waive the defense of the statute of limitations regarding the receivership filed in this matter and that said waiver be reflected in the final decree from the Putnam County Chancery Court confirming the sale of August 2013. Further, the County Commission agrees that the proceeds of the sale of the property in question shall be applied to pay the base amounts of the newest outstanding City and County delinquent taxes to oldest outstanding City and County delinquent taxes.
BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon the minutes of this meeting. This resolution shall take effect upon its passage, the public welfare requiring it.

Adopted this the 27th day of JANUARY, 2014.

The budget thus approved shall constitute the appropriation for the Family Justice Center Administration Fund for the ensuing fiscal year. Any subsequent changes in this approved budget shall be submitted in the same manner as provided above: Board recommendations to the County Executive and/or Executive Directors of participating entities and jurisdictions and necessary action by the same in accordance with its normal budget adjustment process.

The parties acknowledge that the Upper Cumberland Family Justice Center will require the supporting services of various units of County government such as purchasing, legal, accounting, risk management, personnel and payroll services. The cost of such services shall be billed to the Family Justice Center Administration Fund in the same manner as such services are billed to other County funds.

XIII. SERVICE CONTRACTS BETWEEN THE UPPER CUMBERLAND FAMILY JUSTICE CENTER AND PARTIES

It is recognized that in some instances, one party to this agreement may require or desire services which are of value and benefit to it and its citizens and which are not desired or required by the other party hereto. In such event, provision for such services shall be by separate contract between the party requesting the same and the Upper Cumberland Family Justice Center. In the event that the furnishing of services requested or desired by one party can be offset or balanced against the value of other services required or desired by the other party, it may not be necessary, in those instances, to enter into separate agreements. The determination as to the value of services shall initially be made by the Executive Board and its recommendations forwarded in the budget to the legislative bodies of the parties hereto.

XIV. CONTRACTS WITH OTHER AGENCIES

The Upper Cumberland Family Justice Center is by this agreement authorized to provide services for the County. The Upper Cumberland Family Justice Center may also contract with other agencies, entities, individuals, and bodies regarding services.

In addition, the County will provide liability and worker’s compensation insurance for the Director and Assistant Director and any other employees appointed as County employees to serve the Center. The

All nongovernmental agencies that maintain an office at the Upper Cumberland Family Justice Center also insure obligations and liability of all agents, invitees, guests and clients. It is the intent of this paragraph that each agency will maintain sufficient insurance coverage to insure against accidents and injury to its employees, agents, invitees, guests and clients in and around the premises of the Upper Cumberland Family Justice Center, including without limitation all common areas. The Partner Agencies shall exercise reasonable business judgment and act in good faith in the performance of their duties, and shall take all necessary steps to correct any mistakes, errors or shortcomings in the performance and fulfillment of such Agency's duties and responsibilities. Each Agency (an "Indemnifying Party") shall indemnify, defend and hold harmless the other Parties and its directors, officers, employees and agents (each, an "Indemnified Party") against any loss, liability, claim or expense incurred or suffered by the Indemnified Party in connection with a claim by a third party as a result of the negligence or failure of performance by the Indemnifying Party or any of its directors, officers, employees and agents. The terms of this section are intended to apply only to losses and expenses incurred as a result of third party claims, and not to any direct monetary loss, damage, or expense suffered by one Party as a result of the failure of the other Party to perform under the MOU. Provided, however, that the State of Tennessee and its officers and/or employees, including the Department of Human Services, Adult Protective Services and the Division of Vocational Rehabilitation, and the Department of Children Services shall not be an Indemnifying Party.

This indemnification provision shall not apply to the City of Cookeville, Putnam County, or any other city or county government or any employees of a city or county government. The City of Cookeville, Putnam County Government and any other city or counties included retain all privileges and immunities afforded by the Governmental Tort Liability Act.

Upper Cumberland Family Justice Center
Memorandum of Understanding

Introduction

In 2013, Cookeville, Tennessee was chosen as one of three cities to receive a Justice Assistance Grant through the State of Tennessee, Department of Finance and Administration, Office of Criminal Justice Programs. It is anticipated that a number of victims of family and sexual violence will be assisted with emergency services, Orders of Protection, obtaining warrants, counseling, support groups, housing, employment and other essential services to help them take control of their lives.

The Upper Cumberland Family Justice Center (UCFJC) unites agencies serving victims of family and sexual violence throughout Upper Cumberland in a collaborative effort to provide victims with greater support and access to resources. UCFJC makes the entire process of reporting domestic violence less intimidating and more efficient for victims by co-locating available services and by removing barriers that were inherent in the multiple provider, multiple location system.

Working in a synergistic fashion, the partnership of professionals at the UCFJC seeks to reduce family and sexual violence incidents, recidivism and homicides in Upper Cumberland. UCFJC increases collaboration among partner agencies, enhances safety, efficiency, and justice for victims of family and sexual violence across our community. The pursuit of justice is better served and the cycle of violence more easily broken by the increased access to services and, in criminal cases, greater proficiency of police investigations and criminal prosecutions resulting from this initiative.

Mission and Goals

Mission:
The Family Justice Center will provide a coordinated, comprehensive approach to family and sexual violence through a single location.

Mission Goals*:
- Provide victim-centered services that promote victim autonomy to build a future of choice, safety and opportunity
- Increase safety, promote healing, and foster empowerment through services for victims and their children
- Shape services to clients by asking them what they need
- Commit to the utilization of culturally competent service approaches that are measurable and behavior based
- Evaluate and adjust services by including survivor input
- Offer survivors a place to belong even after crisis intervention services are no longer necessary
- Integrate primary, secondary and tertiary prevention approaches into all initiatives, programs and projects
- Maintain close working relationships among all collaborators/agencies
- Develop an UCFJC Community that values, affirms, recognizes and supports staff, volunteers and clients

*These goals mirror the Guiding Principles of the National Family Justice Center Alliance.

Purpose

This Memorandum of Understanding (MOU) sets the basic terms under which the agencies listed herein will provide services to and participate in the UCFJC. The agencies hereby agree, except to the extent that any such agency listed herein is restricted by federal law, state law/rules or policy, to pledge the resources and assistance to initiate and implement a successful program as described in the agency commitment section of this MOU, including the sharing of information through a system of signed client releases and information
entered into a centralized data collection program accessible by UCFJC personnel. Each participant further agrees to adhere to the operational manual of the UCFJC when working on-site at the UCFJC or working with a victim of family or sexual violence referred by the UCFJC.

**Terms of the MOU**

**Indemnification:** The Agencies shall exercise reasonable business judgment and act in good faith in the performance of their duties, and shall take all necessary steps to correct any mistakes, errors or shortcomings in the performance and fulfillment of such Agency's duties and responsibilities. Each Agency (an "Indemnifying Party") shall indemnify, defend and hold harmless the other Parties and its directors, officers, employees and agents (each, an "Indemnified Party") against any loss, liability, claim or expense incurred or suffered by the Indemnified Party in connection with a claim by a third party as a result of the negligence or failure of performance by the Indemnifying Party or any of its directors, officers, employees and agents. The terms of this section are intended to apply only to losses and expenses incurred as a result of third party claims, and not to any direct monetary loss, damage, or expense suffered by one Party as a result of the failure of the other Party to perform under the MOU. Provided, however, that the State of Tennessee and its officers and/or employees, including the Department of Human Services, Adult Protective Services and the Division of Vocational Rehabilitation, and the Department of Children Services shall not be an Indemnifying Party. This indemnification provision shall not apply to the City of Cookeville, Putnam County Government or any other city or county or any employees of a city or county government.

**Liability and Insurance:** Each agency shall save and hold harmless and defend the other agencies from and against all claims and liability for loss, damage, or injury or death of third parties caused by or attributable to its own employee engaged in activities of the UCFJC. This shall include without limitation any judgment and/or attorney's fees. For all agencies which are subject to the Governmental Tort Liability Act, the limits of liability under this agreement, as well as the limits of the indemnification agreement, are the limits of liability set forth in the Governmental Tort Liability Act. In no event shall any governmental agency be liable for any amounts in excess of the limits set forth in the Governmental Tort Liability Act. This limitation shall not be applicable to the agencies that are not subject to the Governmental Tort Liability Act.

Each nongovernmental agency that maintains an office at the UCFJC shall, during the entire time of participation, maintain sufficient insurance to cover its obligations and liability of its employees, agents, invitees, guests and clients. This shall include premises liability insurance and workers compensation insurance. It is the intent of this paragraph that each agency will maintain sufficient insurance coverage to insure against accidents and injury for its employees, agents, invitees, guests and clients in and around the premises of the UCFJC, including without limitation all common areas.

All the participating agencies will comply with Title VI of the Civil Rights Act of 1954, and all requirements imposed by or pursuant to the regulations of the Department of Justice (CFR, Part 42, subject C and D) issued pursuant to Title VI, relating to discrimination on the grounds of race, color, creed, sex, age, sexual preference, or national origin and equal employment opportunities.

The City of Cookeville, Putnam County Government, or any other city or county government shall not be liable for any indemnity provisions; hold harmless agreements; or obligations to defend any party or any parties' employee other than itself and the city or county's own employees. The City of Cookeville, Putnam County Government, and any other cities or counties included in this MOU retain all privileges and immunities afforded by the Governmental Tort Liability Act.

**Term:** The MOU shall be effective immediately upon execution and shall continue for a term of one (1) year, automatically renewing for successive one (1) year periods upon the execution date of this agreement unless
either agency gives 30 (thirty) days written notice that it does not wish to renew its participation in the MOU. All notices required or permitted under this MOU shall be in writing and shall conclusively be deemed to have been delivered upon (a) personal delivery, (b) successful facsimile transmission, (c) receipt of such notice via express courier (e.g., D.H.L., Federal Express, etc.) or (d) electronic mail to the Upper Cumberland Family Justice Center 270 Carlen Drive, Cookeville, Tennessee 38501; Fax: N/A; e-mail: familyjusticecenteruc@gmail.com) who will be responsible for giving notice to agencies listed herein.

**Termination:** The Agencies may jointly terminate this MOU by unanimous action at any time. Any Agency shall have the authority to terminate its participation for its convenience upon thirty (30) days written notice to the Board of Directors provided, however, that the withdrawal of less than all the agencies shall not act as a termination of the MOU.

**Entire MOU:** This MOU embodies the entire agreement of the Parties with respect to the Consortium.

**Modification:** This MOU may be amended or modified pursuant to a written notice signed by the Board of Directors of the Upper Cumberland Family Justice Center and the parties involved in the amendments or modifications.
