D.18. **Completeness.** This Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.

D.19. **Severability.** If any terms and conditions of this Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Contract are declared severable.

D.20. **Headings.** Section headings of this Contract are for reference purposes only and shall not be construed as part of this Contract.

E. **SPECIAL TERMS AND CONDITIONS:**

E.1. **Conflicting Terms and Conditions.** Should any of these special terms and conditions conflict with any other terms and conditions of this Contract, these special terms and conditions shall control.

E.2. **Communications and Contacts.** All instructions, notices, consents, demands, or other communications required or contemplated by this Contract shall be in writing and shall be made by facsimile transmission, by overnight courier service, or by first class mail, postage prepaid, addressed to the respective party at the appropriate facsimile number or address as set forth below or to such other party, facsimile number, or address as may be hereafter specified by written notice.

The County:
Kim Blaylock
County Executive
Putnam County
300 East Spring St.
Cookeville, TN 38501
The Agency:
Sue Pilson, Executive Director
Upper Cumberland Community Services Agency
1000 England Drive, Suite F Cookeville, TN. 38501

All instructions, notices, consents, demands, or other communications shall be considered effectively given as of the day of delivery; as of the date specified for overnight courier service delivery; as of three (3) business days after the date of mailing; or on the day the facsimile transmission is received mechanically by the telefax machine at the receiving location and receipt is verbally confirmed by the sender if prior to 4:30 p.m. CST. Any communication by facsimile transmission shall also be sent by United States mail on the same date of the facsimile transmission.

E.3. Subject to Funds Availability. The Contract is subject to the appropriation and availability of County and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the County reserves the right to terminate the Contract upon written notice to the Agency. Said termination shall not be deemed a breach of Contract by the County. Upon receipt of the written notice, the Agency shall cease all work associated with the Contract. Should such an event occur, the Agency shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Agency shall have no right to recover from the County any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

E.4. Breach. A party shall be deemed to have breached the Contract if any of the following occurs:

— failure to perform in accordance with any term or provision of the Contract;
— partial performance of any term or provision of the Contract;
— any act prohibited or restricted by the Contract, or
— violation of any warranty.

For purposes of this contract, these items shall hereinafter be referred to as a “Breach.”

a. Contractor Breach— The County shall notify Agency in writing of a Breach.

(1) In event of a Breach by Agency, the County shall have available the remedy of Actual Damages and any other remedy available at law or equity.

(2) Liquidated Damages— In the event of a Breach, the County may assess Liquidated Damages. The County shall notify the Agency of amounts to be assessed as Liquidated Damages. The parties agree that due to the complicated nature of the Agency’s obligations under this Contract it would be difficult to specifically designate a monetary amount for a Breach by Agency as said amounts are likely to be uncertain and not easily proven. It is hereby agreed between the parties that the Liquidated Damages represent solely the damages and injuries sustained by the County in losing the benefit
of the bargain with Agency and do not include any injury or damage sustained by a third party. The Agency agrees that the liquidated damage assessed is in addition to any amounts Agency may owe the County pursuant to the indemnity provision or other section of this Contract.

The County may continue to withhold the Liquidated Damages or a portion thereof until the Agency cures the Breach, the County exercises its option to declare a Partial Default, or the County terminates the Contract. The County is not obligated to assess Liquidated Damages before availing itself of any other remedy. The County may choose to discontinue Liquidated Damages and avail itself of any other remedy available under this Contract or at law or equity; provided, however, Agency shall receive a credit for said Liquidated Damages previously withheld except in the event of a Partial Default.

(3) Partial Default—In the event of a Breach, the County may declare a Partial Default. In which case, the County shall provide the Agency written notice of: (1) the date which Agency shall terminate providing the service associated with the Breach; and (2) the date the County will begin to provide the service associated with the Breach. Notwithstanding the foregoing, the County may revise the time periods contained in the notice written to the Agency.

In the event the County declares a Partial Default, the County may withhold, together with any other damages associated with the Breach, from the amounts due the Agency the greater of: (1) amounts which would be paid the Agency to provide the defaulted service; or (2) the cost to the County of providing the defaulted service, whether said service is provided by the County or a third party. To determine the amount the Agency is being paid for any particular service, the Department shall be entitled to receive within five (5) days any requested material from Agency. The County shall make the final and binding determination of said amount.

The County may assess Liquidated Damages against the Agency for any failure to perform which ultimately results in a Partial Default with said Liquidated Damages to cease when said Partial Default is effective. Upon Partial Default, the Agency shall have no right to recover from the County any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount. Agency agrees to cooperate fully with the County in the event a Partial Default is taken.

(4) Contract Termination—In the event of a Breach, the County may terminate the Contract immediately or in stages. The Agency shall be notified of the termination in writing by the County. Said notice shall hereinafter be referred to as Termination Notice. The Termination Notice may specify either that the termination is to be effective immediately, on a date certain in the future, or that the Agency shall cease operations under this Contract in stages. In the event of a termination, the County may withhold any amounts which may be due Agency without waiver of any other remedy or damages.
available to the County at law or at equity. The Agency shall be liable to the County for any and all damages incurred by the County and any and all expenses incurred by the County which exceed the amount the County would have paid Agency under this Contract. Agency agrees to cooperate with the County in the event of a Contract Termination or Partial Takeover.

b. County Breach—In the event of a Breach of contract by the County, the Agency shall notify the County in writing within 30 days of any Breach of contract by the County. Said notice shall contain a description of the Breach. Failure by the Agency to provide said written notice shall operate as an absolute waiver by the Agency of the County’s Breach. In no event shall any Breach on the part of the County excuse the Agency from full performance under this Contract. In the event of Breach by the County, the Agency may avail itself of any remedy at law in the forum with appropriate jurisdiction, provided, however, failure by the Agency to give the County written notice and opportunity to cure as described herein operates as a waiver of the County’s Breach. Failure by the Agency to file a claim before the appropriate forum in Tennessee with jurisdiction to hear such claim within one (1) year of the written notice of Breach shall operate as a waiver of said claim in its entirety. It is agreed by the parties this provision establishes a contractual period of limitations for any claim brought by the Agency.

E.5. Partial Takeover. The County may, at its convenience and without cause, exercise a partial takeover of any service which the Agency is obligated to perform under this Contract, including but not limited to any service which is the subject of a subcontract between Agency and a third party, although the Agency is not in Breach (hereinafter referred to as “Partial Takeover”). Said Partial Takeover shall not be deemed a Breach of Contract by the County. Agency shall be given at least 30 days prior written notice of said Partial Takeover with said notice to specify the area(s) of service the County will assume and the date of said assumption. Any Partial Takeover by the County shall not alter in any way Agency’s other obligations under this Contract. The County may withhold from amounts due the Agency the amount the Agency would have been paid to deliver the service as determined by the County. The amounts shall be withheld effective as of the date the County assumes the service. Upon Partial Takeover, the Agency shall have no right to recover from the County any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

E.6. County Ownership of Work Products. The County shall have all ownership right, title, and interest, including ownership of copyright, in all work products created, designed, developed, derived, documented, installed, or delivered to the County under this Contract. The County shall have royalty-free and unlimited rights to use, disclose, reproduce, or publish, for any purpose whatsoever, all said work products. The Agency shall furnish such information and data upon request of the County, in accordance with the Contract and applicable County law.

E.7. Competitive Procurements. This Contract provides for reimbursement of the cost of goods, materials, supplies, equipment, or services. Such procurements shall be made on a competitive basis, where practical.
E.8. County Furnished Property. The Agency shall be responsible for the correct use, maintenance, and protection of all articles of nonexpendable, tangible, personal property furnished by the County for the Agency's temporary use under this Contract. Upon termination of this Contract, all property furnished shall be returned to the County in good order and condition as when received, reasonable use and wear thereof excepted. Should the property be destroyed, lost, or stolen, the Agency shall be responsible to the County for the residual value of the property at the time of loss.

E.9. Incorporation of Additional Documents. Included in this Contract by reference are the following documents:

a. Budget

In the event of a discrepancy or ambiguity regarding the Agency's duties, responsibilities, and performance under this Contract, these documents shall govern in order of precedence detailed above.

E.10. Workpapers Subject to Review. The Agency shall make all audit, accounting, or financial analysis workpapers, notes, and other documentation available for review by the Comptroller of the Treasury or his representatives, upon request, during normal working hours either while the analysis is in progress or subsequent to the completion of this Contract.

E.11. Lobbying. The Agency certifies, to the best of its knowledge and belief, that:

No federally appropriated funds have been paid or will be paid, by or on behalf of the Agency, to any person for influencing or attempting to influence an officer or employee of any County, a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, and entering into any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any County, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Agency shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The Agency shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-grants, subcontracts, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients of federally appropriated funds shall certify and disclose accordingly.

E.12. Public Funding Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Agency relative to this Contract shall include the statement, “This project is funded under an agreement with the
Office of Justice Programs.” Any such notices by the Agency shall be approved by the County.

E.13. **Prohibited Advertising.** The Agency shall not refer to this Contract or the Agency’s relationship with the County hereunder in commercial advertising in such a manner as to County or imply that the Agency or the Agency’s services are endorsed.

E.14. **Confidentiality of Records.** Strict standards of confidentiality of records shall be maintained in accordance with the law. All material and information, regardless of form, medium or method of communication, provided to the Agency by the County or acquired by the Agency on behalf of the County shall be regarded as confidential information in accordance with the provisions of State law and ethical standards and shall not be disclosed, and all necessary steps shall be taken by the Agency to safeguard the confidentiality of such material or information in conformance with State law and ethical standards.

The Agency will be deemed to have satisfied its obligations under this section by exercising the same level of care to preserve the confidentiality of the County’s information as the Agency exercises to protect its own confidential information so long as such standard of care does not violate the applicable provisions of the first paragraph of this section.

The Agency’s obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Agency of this Contract; previously possessed by the Agency without written obligations to the County to protect it; acquired by the Agency without written restrictions against disclosure from a third party which, to the Agency’s knowledge, is free to disclose the information; independently developed by the Agency without the use of the County’s information; or, disclosed by the County to others without restrictions against disclosure.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Contract.

E.15. **Copyrights and Patents.** The Agency agrees to indemnify and hold harmless the State of Tennessee as well as its officers, agents, and employees from and against any and all claims or suits which may be brought against the County for infringement of any laws regarding patents or copyrights which may arise from the Agency’s performance of this Contract. In any such action brought against the County, the Agency shall satisfy and indemnify the County for the amount of any final judgment for infringement. The Agency further agrees it shall be liable for the reasonable fees of attorneys for the County in the event such service is necessitated to enforce the terms of this Contract or otherwise enforce the obligations of the Agency to the County. The County shall give the Agency written notice of any such claim or suit and full right and opportunity to conduct the Agency’s own defense thereof.

E.16. **Public Accountability.** If this Contract involves the provision of services to citizens by the Agency on behalf of the County, the Agency agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Agency agrees to display a sign stating:

"NOTICE: This Agency is a recipient of taxpayer funding. If you observe an employee
engaging in any activity which you consider to be illegal or improper, please call the State Comptroller’s toll free hotline: 1-800-232-5454.

Said sign shall be displayed in a prominent place, located near the passageway(s) through which the public passes to receive County funded services.

E.17. **Environmental Tobacco Smoke.** Pursuant to the provisions of the federal “Pro-Children Act of 1994” and the Tennessee “Children’s Act for Clean Indoor Air of 1995,” the Agency shall prohibit smoking of tobacco products within any indoor premises in which services are provided pursuant to this Contract to individuals under the age of eighteen (18) years. The Agency shall post “no smoking” signs in appropriate, permanent sites within such premises. This prohibition shall be applicable during all hours, not just the hours in which children are present. Violators of the prohibition may be subject to civil penalties and fines. This prohibition shall apply to and be made part of any subcontract related to this Contract.

E.18. **Authorized Individuals.** Each party hereto has provided the other party hereto with a list identifying the individuals from whom the other party is authorized to accept any notices, requests, demands, or other advice which may be given hereunder by the party providing such list. Said lists, which are attached hereto as Attachment 2, shall be valid until revoked or amended by further written notice. The parties hereto shall only be entitled to rely on notices, requests, demands, or other advice given by such individuals.

E.19. **Date/Time Hold Harmless.** As required by **Tennessee Code Annotated**, Section 12-4-118, the Agency shall hold harmless and indemnify the State of Tennessee; its officers and employees; and any County or political subdivision of the County for any breach of contract caused directly or indirectly by the failure of computer software or any device containing a computer processor to accurately or properly recognize, calculate, display, sort or otherwise process dates or times.

E.20. **Hold Harmless.** The Agency agrees to indemnify and hold harmless the State of Tennessee as well as its officers, agents, and employees from and against any and all claims, liabilities, losses, and causes of action which may arise, accrue, or result to any person, firm, corporation, or other entity which may be injured or damaged as a result of acts, omissions, or negligence on the part of the Agency, its employees, or any person acting for or on its or their behalf relating to this Contract. The Agency further agrees it shall be liable for the reasonable cost of attorneys for the County in the event such service is necessitated to enforce the terms of this Contract or otherwise enforce the obligations of the Agency to the County.

In the event of any such suit or claim, the Agency shall give the County immediate notice thereof and shall provide all assistance required by the County in the County’s defense. The County shall give the Agency written notice of any such claim or suit, and the Agency shall have full right and obligation to conduct the Agency’s own defense thereof. Nothing contained herein shall be deemed to accord to the Agency, through its attorney(s), the right to represent the State of Tennessee in any legal matter, such rights being governed by **Tennessee Code Annotated**, Section 8-6-106.
E.21. **Debarment and Suspension.** The Agency certifies, to the best of its knowledge and belief, that it and its principals:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal or State department or County;

b. have not within a three (3) year period preceding this Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining attempting to obtain, or performing a public (Federal, State, or Local) transaction or grant under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;

c. are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or Local) with commission of any of the offenses detailed in section b. of this certification; and

d. have not within a three (3) year period preceding this Contract had one or more public transactions (Federal, State, or Local) terminated for cause or default.

E.22. **HIPAA Compliance.** The State and Grantee shall comply with obligations under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its accompanying regulations. Grantee warrants to the State that it is familiar with the requirements of HIPAA and its accompanying regulations, and will comply with all applicable HIPAA requirements in the course of this contract. Grantee warrants that it will cooperate with the State, including cooperation and coordination with State privacy officials and other compliance officers required by HIPAA and its regulations, in the course of performance of this Grant Contract so that both parties will be in compliance with HIPAA. The State and the Grantee will sign documents, including but not limited to business associate agreements, as required by HIPAA and that are reasonably necessary to keep the State and Grantee in compliance with HIPAA. This provision shall not apply if information received by the State under this Grant Contract is NOT "protected health information" as defined by HIPAA, or if HIPAA permits the State to receive such information without entering into a business associate agreement or signing another such document.

E.23. **XML Language Compatibility.** The Grantee agrees that if grant funds are used to purchase computer systems then the Grantee shall ensure that the systems are XML compatible.

E.24. **Counter-terrorism Efforts.** The Grantee agrees when funds are spent on counter-terrorism or first-responder efforts, the Grantee shall notify the State of Tennessee’s Department of Homeland Security to ensure coordination of such efforts.

E.25. **National Historical Preservation Act Compliance.** The Grantee shall adhere to the National Historical Preservation Act Compliance, Section 106 of the National Historic Preservation Act (16 U.S.C. Section 470, et seq., as amended) which states that prior to use of any grant funds to renovate, alter, or otherwise improve the exterior or interior of a building, applicants for federal funds must establish identification, record keeping, reporting, consultation and decision-making processes within their programs or procedures for
administering grant funds. The Grantee agrees to contact the Office of Criminal Justice Programs for additional implementation guidance before deciding on any renovation work for which the Grantee is unsure of the application of this condition.

The Coordinators will travel an average of 500 miles per month covering the Putnam County area of the Upper Cumberland region. They will be visiting with community representatives, prospective training locations, and caterers, etc. Both coordinators will attend two (2) BJA sponsored trainings, which will most likely be out of state. The grant will also pay any related travel expenses for training consultants to provide local training to our community. The coordinators will also attend the statewide drug court training in October 2007 to be held in Chattanooga, Tennessee.

Training:

The coordinators will attend the statewide drug court training in October 2007; there is no registration cost for this training. They will also attend two (2) BJA sponsored trainings on best practices in Drug Courts such as: *The Promise of Drug Court; Targeting and Eligibility; Team Building; Drug Court Environment and Judicial Styles; Case Management.* This grant will make it possible for the drug court to provide training to various people in the community such as: the Bar Association, political officials, treatment representatives, local law enforcement, hospital and other health care workers, and any other interested community members is critical to advancing the program to the next level.

D. Equipment:

There are no equipment needs at this time for this program.

E. Supplies:

General office supplies will be necessary as well including but not limited to paper, pens, ink cartridges, planners. We are estimating the cost of materials associated with the training we will provide to be approximately $5000. This will include nametags for participants ($100), handouts
($125), advertising for the training ($500), brochures ($250), copies of various handouts ($125), pens ($100), reminder cards ($75), training manuals ($750), visual aids ($250), and renting training space ($600). We will possibly have two days of training and provide different types of sessions on the different days. We anticipate there will be approximately 150 participants each day.

F. Construction

None

G. Consultants/Contracted Providers:

We will contract with a program evaluator from the UT College of Social Work to provide the program evaluation and evaluation protocol and plan to be used in future years. We look forward to conducting an outcome and process evaluation and cost analysis. The evaluation will both be a contracted service and a percentage of donated (in-kind) time.

We will contract with someone to provide our local community with specific drug court training. This may be someone from the state or another drug court program within the state of Tennessee.

Advisory Committee: Advisory Committee members will donate time quarterly to advise the drug court in sustainability, marketing, program and design planning and ongoing evaluation.

H. Other Costs:

Office space for the M/T Coordinator is estimated to be $170 per month for a yearly cost of $2000. This grant would pay 20% of the Drug Court Coordinators office space that is estimated to be $1000 for the year. Both Coordinators will need a telephone and some long distance charges will apply. An 800 number is available for in-coming calls.

I. Indirect Costs:
