although you can't share in tiktok advertising revenue successful tiktok performers can still make money on the platform the most obvious way is by influencer marketing if you can build a sufficient following of dedicated viewers you can market yourself to brands to sell products to your audience's demographic once you have keen followers you can create and sell merchandise to them particularly if you make your name in an unusual niche rather than just lip syncing you can also launch your career through tiktok

there are numerous scam websites and apps that claim to give users hundreds or thousands of tiktok coins but all are usually online scams designed to either hack your tiktok account collect personal data or obtain your credit card and banking information

if you are beginning from scratch you have the chance to create the perfect username you want it to be easy for people to say and spell and preferably relevant to you and your niche ideally you should have the same username on all your social profiles so your tiktok fans will know when they have found your youtube twitch and instagram channels

no you can't coins once purchased cannot be refunded in any case the only option is that use those coins to purchase virtual resources on tiktok if you still need some money urgently and all you have is a few coins on your wallet you

can do one thing just ask your close friends or followers if they need diamonds or other resources for their page if they need you can sell it to them in return of real money this is the only way to make real money with tiktok and all other ways are fake and wastage of time

the tiktok coins club generator is one of the more infamous tiktok generator websites online and like all of the other websites and services that claim to give you free coins it should be avoided at all costs
