the best way to maximize your earnings is to view the app before you shop and find items that you were shopping for anyway just buy the brand listed in the app and you ll earn points on your purchase often you can earn hundreds or even thousands of points in one shopping trip on one recent trip i earned 5 000 points for buying ben and jerry s ice cream doritos and some pepsi products that s enough for a 5 gift card

**this amazon card promotion is only eligible for first time amazon card customers buying one on amazon s website note that this promotion is subject to availability and retailer terms you re fine if you ve bought an amazon card in a grocery store or some other physical retailer but if you ve ordered an amazon card or amazon e gift card from amazon s site you re not eligible for this promo**

**every time you reload an amazon gift card with at least 100 you get a free 5 reload bonus added to your gift card you re going to spend the money anyway why not earn a few bucks at the same time**

once you ve signed up and earned your 5 bonus just link your credit or debit cards to your new account then you can view cash back offers within the app at a variety of stores like pizza hut costco local restaurants and more take advantage of the shopping offers in the app to shop online or buy in store using your linked card

after using prizerebel for just 2 weeks and redeeming my first reward i was hooked i was able to get items for my favorite game without spending a cent of my own money and the process couldn t have been easier doing surveys is quick easy and most importantly safe i would recommend this to anyone looking for a legitimate site that rewards

keep in mind some of these methods may fit your lifestyle better than others be sure to go with the strategies that align with your interests and daily routines this will make it easier for you to earn your rewards quicker because you ll also be enjoying yourself at the same time

ibotta rewards you for using select offers at participating retailers submitting eligible receipts and making in store purchases with the pay with ibotta feature once you reach 20 in ibotta rewards you can get a payout in the form of

a gift card cash through paypal or a cash transfer to your bank account ibotta has gift card options from amazon starbucks sephora walmart and more
