completing card sets will grant you a large number of free spins you must gather all of the cards in a set once you have collected all of the cards in a set you will be awarded a large number of free spins but because we want to take advantage of every opportunity to earn more free spins here is my advice always finish your set when the set blast card event is active to earn 30 more spins completing a set is an important component of coin master because it grants you a large number of free spins and raises your village s level and star count completing card sets isn t difficult normal cards are easy to come by in the official trading group and gold cards must be obtained from chests because they can t be sent

coin master will provide free spin links and coin links for june 5 2022 so that you can use them to upgrade your village for free in this post you need to click on the links provided for june 5 2022 and claim your free prizes

it is true that the odds of getting 60 coin master free spins through daily links are small but it doesn t mean it is not possible you can play often and participate in events to increase your chances of winning 60 spins

other than that you can send and receive spins from friends so if your friends list isn t full yet this is a good reason to do so look through subreddit communities for those willing to trade spins you can get up to 100 free spins through friends

the easiest way to get spins in pet master is to use all your spins and wait 10 hours you get 5 spins per hour up to a maximum of 50 wait until you have completed all 50 spins to play it is best to play with this number of rounds then run them 5 at a time of course if you only need a few coins a few points to complete a mission or if an event is almost over you use them earlier

pet master village attack from your friends and you don't know just some steps follow and get an attack notification alert your friends attack your village to get one notification click on setting and click raid and attack checkbox to get attack and raid notification

apart from the game itself there is a section available where you can access a mini game this is similar to a small board game where you have to roll the dice if you manage to land on the right spot then you will nab yourself some nice rewards
